BECAUSE JAKE LIVED

SHINE YOUR LIGHT
TO REFLECT THE SON

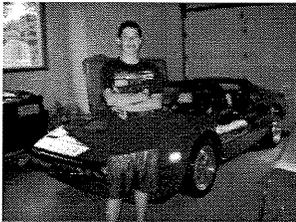

"Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity."

1 Timothy 4:12

On September 7, 2011, just seven days into his senior year of high school, Jake lost his life in a tragic car accident, but **BECAUSE JAKE LIVED** and impacted so many with his contagious smile and infectious laugh, we are dedicated to honoring his memory by helping kids fulfill their dreams!

Ever since Jake was just a little boy, he loved cars. Although he was partial to Ford Mustangs, Jake really loved "all things with 4 wheels and a motor." His love for cars drove him to Monty Tech for his high school years, where he was an integral part of their Auto Body Shop. He dreamed to one day be able to open his own restoration shop so he could share his passion and skill with others.

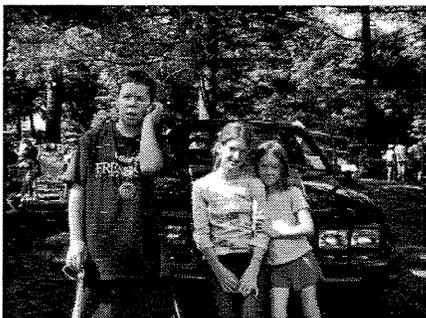

It was hard to top Jake's passion for cars, but anyone that knew him would tell you that his faith in Jesus trumped it all. It was evident in each and every aspect of his life. His relationship with Christ and his desire to share Him with others was easily seen as he encouraged, loved, helped and brought so much joy into the lives of all who knew him.

His passion to live out his faith and his heart for missions led him on two missions' trips to the Dominican Republic. Jake dreamed of one day being able to paint the buses there in order to bring joy to the children in the Batey villages. With the cooperation of the Monty Tech Auto Body Shop and the Good Samaritan Mission Council, that dream was realized in April 2012!

For the last four years, show car owners, volunteers and hundreds of spectators from our community have gathered together on the fields of Mountview Middle School on the 4th Saturday in June to pay tribute to a young man who touched the hearts of all who knew him. The *Jake Bratton* Memorial Car Show not only enables us to honor Jake's memory, but also provides the community a wonderful opportunity to come together to truly make a difference in our world.

The years that Jake shared with us here were filled with laughter, love and immeasurable joy. It is our great hope that the **BECAUSE JAKE LIVED** Foundation will honor his memory by helping kids realize that they can be used **NOW** to make a difference in their world.

We hope you will be able to join us on June 25th for our 5th Annual Show at our new venue – Wachusett Regional High School!
